Qosmedix Announces New Metal Sharpeners for Lip and Eye Pencils

Ronkonkoma, NY, February 25, 2016 – Qosmedix is pleased to announce the addition of two metal sharpeners for eye and lip pencils. The aluminum alloy frame can be easily cleaned while the stainless steel blades allow for precise sharpening. The single hole sharpener (Part # 50130) has an 8mm opening along with textured sides to ensure a comfortable grip. The dual hole sharpener (Part # 50131) has both an 8mm and an 11mm opening to fit various pencil sizes. For hygienic purposes, each sharpener is individually wrapped and packaged 6 pieces per box. Please visit www.qosmedix.com to place an order or to learn more about how to private label these items for your brand.
